

5/5/91 Galavision Lucha Libre Results:

This show was held on Friday, May 3, 1991 at la Arena Coliseo in Mexico City, Distrito Federal, Mexico AT 8:30 pm local time (7:30 pm PDT). It was broadcast on the Galavision Cable Network on Sunday, May 5, 1991, at 4:00 pm PDT.

1. Midgets: Octagoncito, el Misteriosito, and el Justicierito versus M. S. 1/2, el Pequeno Cobarde, and Jerrito Estrada. ***. Very good even those were not the best four midgets, but Octagoncito is great. The finish was big dives by el Justicerito and el Misteriosito and then all three rudos were counted out of the ring.
2. "los Mosqueteros del Diablo" los Brazos (el Brazo de Oro, el Brazo, and el Brazo de Plata). Super Astro, el Dandy, and Popitekus. ****. They wrestled face versus face. This had no resemblance to a match but was just a collection of fun, show-off spots. (Well, el Dandy had this strange spot with a five minute figure four on el Brazo de Oro). Super dives by Popitekus and el Brazo de Plata! A must see!
3. Lizmark, Mascara Sagrada, and el Rayo de Jalisco junior versus Pierroth junior, el Gran Markus junior, and The Mongolian Mauler. *. Mongolian Mauler was terrible, a non-bleeding cray Abdullah the Butcher gimmick. The rest weren't so hot tonight.
4. Chicano Power junior and Sangre Fria defeated el Tauro junior and Thunder two falls to zero. DUD. These guys weren't very good. It was the first match on the live card but for some reason the TV people put it in this slot.
5. Mascara Ano Dos Mil defeated Konnan el Barbaro two falls to zero when Konnan was disqualified for fouling Mascara Ano Dos Mil to end the second fall. 1/2*. This sets up a mask versus hair match either next week or thereafter. (Which you can bet the house on Konnan winning.) Not a match in any sense but a set-up only.

They also had their "Cartometro del Ring segment:" Isn't it funny how right when the EMLL are about to lose Konnan to the WWF and Atlantis will be staying with them that Atlantis passes Konnan on the supposedly legit popularity list?

They allso introduced a new "News" segment called "la tercera caida" to keep fans up to date on the last week's happenings in the EMLL. This is an excellent idea. I hope it stays.

My personal Matwatch Rating: 1st hour pinfall, 2nd hour resthold, call it a powerslam overall.

Lastly, and I throw this in at the end for what it's worth, apparently weekly Gong and Universal did a "poll" to determine which Mexican luchadores the fans in Japan would like them to bring in (the results are on this week's issue, p. 76, 5/16/91 date). Here is what it said:

1. The UWA at el Toreo de Cuatro Caminos/Sunday, May 12, 1991

1. The Main Event: The Blue Blazer, Dos Caras, and Enrique Vera defeated "los Asesinos": Canek, The Killer, and Fishman when Canek tried an off the-top-rope cross-body block onto The Blue Blazer and Hart reversed it and rolled through and on Blazer lost his mask during the match (to end the second fall) but put it back on and ripped at Canek's during the third fall. At the end of the match, Blazer and Canek challenged each other to a mask-vs.-mask match and a UWA title match. None was signed yet, though. (To clarify, Hart wants a title shot and Canek wants a mask match.)

2. The Semifinal: el Texano, el Villano IV, and el Villano V versus The Pegasus Kid, el Babe Face, and el Engendro was ruled a no-contest when Pegasus removed Villano V's mask and Villano V removed Pegasus's mask at the same time in the third fall. (There is an excellent picture in OVACIONES which bears this result out pretty clearly). This sets up the match next Sunday, May 19, 1991, for the WWF Light Heavyweight Title between Villano V and Pegasus where I expect V-V to win.

3. The Tercera: Silver King, el Celestial, and el Fantasma defeated "los Temerarios": Black Terry, Shu, el Guerrero, and Jose Luis Feliciano, two falls to one.

3

4. The Segunda: "los Tortugillos Karatekas": Miguel Angel, Rafael, Donatelo, and Leonardo won two out of three falls versus "los nuevos Arqueros del Espacio": Laser, la Flecha, and Robin Hood, and their partner for the day el Vagabundo.

5. The Inicial: los Matematicos I, II, and IV defeated Ricky Boy, Orquidea, and el lobo Rubio two falls to one.

2. The EMLL at la Pista Arena Revolucion/sunday, May 12, 1991

1. The Main Event: Octagon, el Dandy, and el Misterioso defeated Tony Arce, el Vulcano, and el Egipcio, two falls to one, in what was described as a very good match. (I don't doubt it.)

2. The Semifinal: Zuleyma defeated maria del Angel two falls to one to retain her UWA World Womens' Wrestling Championship. The third fall was won when Zuleyma hit Maria el Angel with an off-the-top-rope-dropkick and a body press.

3. The Tercera: Jerrito Estrada, el Piratita Morgan, and el Espectrito defeated la Aguilita Solitaria, la Mascarita Sagrada, and el Misteriosito, two falls to one.

4. The Segunda: Talisman, Oro, and Astro Boy won two out of three falls from Climax, el Mestizo, and Mario Prado junior.

5. The Inicial: el Zimba, el Babe Richard, and el Kaifane I defeated Plata, Pegaso, and Super Bolido, two falls to one.

Card
